RANJAN KUMAR SINGH

WEB DESIGNER & DEVELOPER

UI/UX designer with 4 years of experience creating user-friendly, engaging digital experiences, plus 2 years of hands-on web development and database management. I combine creative design thinking with solid front-end and back-end technical skills—HTML, CSS, JavaScript, PHP and MySQL—to build fast, polished, conversion-focused websites and products.

WORK EXPERIENCE

UI/UX DESIGNER — 2024 – Present
Orbiqe Technologies
Designing and enhancing live products end-to-end—from UI/UX design through front-end implementation—to deliver exceptional, conversion-focused user experiences.

WEB DESIGNER & DEVELOPER — 2021 – 2023
Era Infotech
Created professional, visually engaging websites for clients and developed dynamic web pages using PHP and MySQL, combining creative design with technical development.

WEB DESIGNER & DIGITAL MARKETING — 2019 – 2020
TechJogi – Digital Marketing Company
Designed responsive websites with a focus on user experience and integrated digital marketing strategies to optimize SEO and conversions.

OUR WORKS

24+ client projects delivered across hospitality, healthcare, trading, education, media, real estate and non-profit sectors—dynamic, responsive websites blending creativity with technical expertise, digital marketing integration, and both custom and theme-based solutions.
